## This Side Of The Sun

By Phat

If today's thesis is a bit more disconnected than usual, blame it on moving day at The Sun. . . Furniture flitting around . . . Doors propped open letting the flies in to stamp on my head . . . I don't dare get up or I'd find my chair gone . . . Already had to protest twice when R. H. Mann, engaged for the purpose of chaperoning the furniture from here to there, tried to move this desk and typewriter out from under my nose while I was right in the middle of a sentence . . . Grant Wood is major domo of the migration . . . Has been going around putting signs on desks and chairs for the information of movers . . . So they'll know where to take them . . . Some items, not to be moved, are for sale . . . For instance, was shocked this morning to come in and see Wild Bill sitting in a chair on the back of which was a sign: "For Sale, \$2.00" . . . At first, I thought they meant Bill.

**MOVING DAY** at the office is similar to moving day at home. The same expressions are used. "What do you want to save that for?" . . . "This is no good, let's junk it." . . . Only difference is that down here at the office, the remarks are more or less put out as suggestions . . . At home, they are ultimatums . . . The big thing about this moving day is what to do with the pictures and letters and copies of poems, newspaper clippings and the like, that Villagers brought in and left with the admonition: "Be sure to save this for me, I want it back." . . . In the drawer where the "Will Call" items are carefully stored in the best helter-skelter style, are some marked "1943" . . . Looks like the statute of limitations has caught up with them . . . That was Harry Mann again, the third attempt to pick the typewriter off my desk while I was practically in the middle of a word . . . Just as long as he doesn't try to move the desk out from under the typewriter . . . They are still hard to get.

**COMPLAINTS** poured in this week . . . City Manager Bill Ilworth was at the head of the Protest Parade . . . "I don't mind anyone taking a little bit of poetic license when he has to fill 20 inches of space with something . . . I said a 'little' . . . But poetic license stretched by three and a half years is too much . . . That hump in the sidewalk on which you said you'd been stubbing your toe for four and a half years, hasn't been there a year. It buckled up one hot day last July . . . So if you've been stubbing your toe since the fall of 1942, it wasn't on the sidewalk. What an imagination!"

**MOVING DAY** may cover more territory than first contemplated. While the furniture goes to The Center, I may go to the city jail . . . Seems I'm in contempt of court . . . Judge Gene Theriault was the second man in the squawk squadron this week . . . Apparently that yarn about the lizards standing on their hind legs to cool off their feet on hot days is one of his and when I said Tuesday that it had been debunked, I stepped on judicial toes . . . The judge says that the lizards do stand up to cool their toes when the sun broils the sidewalks and pavements . . . Says he can prove it . . . I'd like to see the judge get down prone on the pavement to photograph the scene!

**ANOTHER CARD** was signed "Pop" and apparently came from Postmaster R. M. Gorham who is "Pop" to his friends . . . "Pop" writes: "If the lizard doesn't lift its legs from the pavement because of the heat, then why does he stop every once in a while in hot weather to spit on his stomach?" . . . Well, now maybe, someone will write into say that a lizard, because the way nature designed him, can't spit . . . Also came two telephone calls that lizards DO stand up, only the informants called them "chuck-wallas." . . . Just stepped out a minute and came back to find a sign on the back of my chair: "Fragile, handle with care."

**THE MAIL** brought another card from the W. Z. Allens, now on tour of the nation . . . This one was from Idaho Falls, Idaho, and was decorated on the back with a picture of the west entrance to Yellowstone national park; "They charge \$3 to go through here," wrote Mrs. Allen. "Walter says Palm Springs should erect a gate at either end of town and adopt that idea as a revenue source." . . . Sounds logical . . . Should have thought of that before the election to quiet the fears of those who thought the city might go bankrupt.

**COMES** a letter, too, from Jimmy Shea, in the east to pick up a new automobile . . . He enclosed a clipping from the resort columns of an eastern paper . . . It concerned an "ideally situated cabin on the river—\$75 for all season." . . . It was from Mrs. G's old home town of Osceola, Iowa, and Jimmy's comment was "Why, oh why, did you leave Iowa?" . . . Well, this is it, the last from 349 North Palm Canyon drive . . . Mann has both hands on the typewriter and won't let go so I'll have to quit . . . One last remark while he tugs—Frank "Pop" Shannon came into The Sun office one time when I was the only one present . . . "Oh, the Deserted Sun," he said, adding a syllable "Sun," well, next Monday this building will be just that.

## N. Y. Theater Men Purchase Villa Hermosa

Villa Hermosa, apartment-hotel which was opened for the first time last October by Charles K. Fulton, was sold this week to Arthur and Alvin Meyer of Brentwood and New York City.

The transaction was handled for both the buyer and seller by Miss Muriel E. Fulton, realtor. The consideration involved is reported at approximately \$350,000.

**THE NEW OWNERS** together with another brother, Lester Meyer, are co-owners of the famous Empire Theater in New York City. Lester however, has no interest in the Villa Hermosa deal.

Mr. and Mrs. Arthur Meyer and Alvin Meyer came to Palm Springs early this Fall and became so enthusiastic about the beauty, winter climate and future of Palm Springs that they decided to make the Village their permanent home. They also own a home in Brentwood, suburb of Los Angeles, and have been residents of California for a year.

**THE NEW OWNERS** plan many improvements, both in service and additions, just as soon as possible and will re-open Villa Hermosa in October.

Mr. and Mrs. Charles K. Fulton, (no relation to Miss Fulton) have been annual visitors to Palm Springs for many seasons. Fulton came here from Portland, Oregon, where he was in business for many years.

The Villa Hermosa is one of the most modern apartment-hotels to be built in Palm Springs and boasts of many modern innovations. Almost overnight it became popular among many leading names in the nation who came to Palm Springs to make the apartments their home here.

Mr. and Mrs. Fulton plan to take an extended tour this summer.

## Honors Awarded Local Students

Selections for Boys' and Girls' State, Prizes for Outstanding Work, Presented at Exercises

Diplomas and awards went to 132 Nellie N. Coffman Junior high and Palm Springs high school graduates this week as two record classes completed their courses in the two institutions.

Graduates at Nellie N. Coffman school, who received their diplomas Wednesday night, numbered 80 while 52 seniors from Palm Springs high school received their diplomas last night.

**COMMENCEMENT** exercises for Palm Springs high were held last night in the open air court at the school, starting at 6 o'clock. A splendid musical program, instrumental and choral organizations of the school, under direction of Gustave Patzner and Alexander Hammond, addresses by

Ed Wills, valedictorian, and James Searles, salutatorian, and the talk of the evening by Dr. Harry Rimmer on "The Unconquered Kingdom" marked the program.

The class was presented by Dr. E. E. Oertel, principal, to Charles I. Burket, president of the high school board, who issued the diplomas to fifty-two young men and women.

**ANNOUNCEMENT** of selections to Boys' and Girls' States, to be held in Sacramento next month was made.

Selected to represent Palm Springs at the Boys' State, June 21 to 28, at the State Fair grounds were Kenneth K. Young, sponsored by Owen B. Coffman Post, American Legion, Donald Goldberg, sponsored by Earl Coffman and Humbert Lopez, sponsored by the Lions club. Selection of the youths was made by the faculty.

Betty Ann Lilley, daughter of Mr. and Mrs. Everett Lilley, will attend Girls' State at Sacramento. See HONOR STUDENTS, Page 10.

Next Week to See Sun in New Office

Today's issue of The Desert Sun is the last to be published from the offices at 359 North Palm Canyon drive where they have been located for the past four and one half years.

This week-end is moving time for The Sun staff and on Monday, June 2, the staff will be doing business at 174C North Palm Canyon Drive—in The Center. The new offices are located near the site of the building being erected to house the offices and mechanical plant of The Sun in The Center.

Telephone numbers will remain the same—2249 for the business, display and classified advertising and commercial printing departments and 3741 for the editorial department.

## Hospital Plan Loses By 4 Votes

Absentee Ballots Give Proponents Two Out of Needed Six

Four votes separated proponents of the Torney General Hospital acquisition proposal from victory, a final check by city council Tuesday night disclosed.

The final vote was 500 for the plan and 406 against.

The decision was reached Tuesday, a week after the final ballot had been tabulated by polling place officials which listed the score as 735 "yes" and 381 "no."

**ACCORDING** to those figures, the proponents needed seven votes more than two-thirds of the absentee ballot total. Prior to the election 101 Villagers had applied for absentee ballots and 94 were returned.

Count of the absentee ballots started Tuesday evening with an interested throng present. Four ballots were tossed out, one because the applicant was not registered and three because the voters had failed to have their ballot notarized.

**PRELIMINARY** steps occupied more than an hour and at about six-thirty, the count, which took but a few moments, was completed. Proponents received 62 votes and opponents 28, sufficient to defeat the measure by seven votes.

Tuesday night, council canvassed all of the votes and discovered an error of three in favor of the proponents. That left the margin of defeat for the plan, four votes.

**TABULATING** the absentee ballots Tuesday evening were Mrs. Henrietta Parker, Mrs. Thekla Grimm, Mrs. Ellis Gottbehuet, Mrs. Harriet Henderson and Councilman Armand Turonnet. City Attorney Roy Colegate stood by to rule on questioned ballots.

At the May 20 election, 1116 votes were cast. With the 90 counted Tuesday, the total vote

## Still Lacking

Publicity Fund Mounting Slowly

Contributions to the fall Advertising and Promotion Fund of the Palm Springs Chamber of Commerce continued to arrive at the offices this week but hundreds of firms in the Village are yet to be heard from, according to Florian Boyd, chairman of the special advertising fund committee.

"It is imperative that we have the decision of the business firms at once on this matter so we are asking that persons receiving the pledge cards and letters on the advertising program recently, return the cards at the earliest possible moment," he said.

Advertising to benefit the Village next fall must be ordered in June and July, he said.

FAREWELL—If walls could talk—and some people say they can—this building at 359 North Palm Canyon drive, could give an accurate history of the events in Palm Springs for the past four and one-half years. It has been the scene of the getting together of The Desert Sun since November 11, 1942. Monday The Sun staff will be at 174C North Palm Canyon drive. The telephone numbers will be the same, 2249 and 3741, but the route will be different. (Desert Sun photo.)

## Final Results

Final figures on the Torney Hospital acquisition proposal election as ruled by city council following an official canvass of the votes cast here on May 20 and the count of absentee ballots May 27:

Voted on May 20.....	1116
Absentee ballots.....	90
Total vote.....	1206
Necessary to carry.....	804
Necessary to defeat.....	403
City Absentee Total	
Vote Absn't Ballots Total	
"Yes".....	738 62 800
"No".....	378 28 406
Absentee ballots issued.....	101
Absentee ballots voted.....	94
Votes ruled invalid.....	4

The official canvass resulted in the addition of three votes to the proponents' total and subtracted three from the opponents.

The unofficial count at the polls May 20 was Yes, 235; No, 381. The canvass corrected this to Yes, 738; No, 378.

## Dillon Denies Deal in Board Appointment

Robert E. Dillon, supervisor for this district, emphatically denied published reports that he would resign from his office only if he was assured that Governor Earl Warren would appoint former city judge Wallace P. Rouse of Indio to the vacancy.

Dillon, who is in poor health and is expected to resign soon, made his denial of the story before a meeting of county supervisors in Riverside.

Rouse's name asking that Governor Warren appoint him to the expected vacancy on the Supervisor's board is contained on a petition that is now being circulated in the Desert area and particularly in his home town of Indio city.

**AN OPPOSING** petition sponsored by some of the most outstanding citizens of Palm Springs, Indio, Blythe and other communities on the desert contains the name of Harry Harper, secretary-manager of the Chamber of Commerce here.

The story originally published in the Desert Barnacle was picked up and quoted in a publication in Palm Springs and it was this report that brought a vigorous denial on the part of Dillon.

It was pointed out that the story meant to assist Rouse in obtaining the appointment, probably did him more harm than good inasmuch as Governor Warren is not the type of state executive who can be stamped into making a decision.

**HARRY HARPER** declared that the governor, in his opinion, would appoint the man he believed was most suited to the job and it may not be either Rouse or Harper. At the same time Harper denied that he was yielding to pressure from Indio city to resign in favor of Rouse. "For more than 14 months," said Harper, "a sincere effort was made to secure the assurances of some person from the southern part of the district who would allow his name to be submitted

## Tired, Must Have Rest, Says Healer

Plans To Go Into Seclusion at Some Unannounced Place

Avak is planning to leave Palm Springs.

This was the announcement made in behalf of the 20-year-old Armenian faith healer by both Eddie and De Arkelian, sons of Krikor Arkelian who was instrumental in bringing Avak to this country from half-way around the world to cure his son Vaughn, 37-year-old epileptic.

Both of the Arkelian sons declared that the decision was made by Avak who told them that he was in desperate need of rest, as a result of the long and arduous duties he has performed in Palm Springs since arriving here May 6.

**"AVAK HAS SEEN** thousands since coming here," D. Arkelian said, "and he is fatigued and in need of rest. We plan to take him to a secret resting place somewhere in the mountains of California next Friday."

At the same time both D. and Eddie reiterated their pleas that the ailing should not come to Palm Springs in hope of seeing Avak. They added that appointments for the faith healer are more than filled until his departure time and it would be fruitless, a loss of time and money for any more people to come here.

**LARGEST** aggregation of "the halt, the blind and the deaf," between 3500 and 4,000 people, assembled around the Arkelian estate Wednesday in hope of gaining a coveted appointment with Avak. This record crowd began assembling the evening before and by nightfall, the parked automobiles completely surrounded the block square Arkelian home while others who had arrived by bus, hitch-hiking and other means, were camped on the streets, using blankets and clothing spread upon the ground, to sleep.

Tuesday night residents in the district, aware of the high cold wind that was blowing, organized relief committees and together with members and employees of the Arkelian family, distributed food and drink. Mrs. Priscilla

Chamber Meeting Re-Set for Monday

The annual organization meeting of the Palm Springs Chamber of Commerce in which officers for the 1947-48 meeting will be held, yesterday was postponed until 4 p. m. Monday due to the absence of so many members of the board of directors on the Horsemen's Association mountain ride.

The meeting will be held in the offices of the Chamber of Commerce. Officers elected will begin their year's activities as of June 1.

## The PUBLISHER'S Corner

by OLIVER B. JAYNES

**THE NARROW MARGIN** by which the El Mirador acquisition proposition failed served as a lesson to every voter—no matter which way he or she voted—and to those who failed to register and vote. It's easy to fall into the "what difference could one vote make" attitude. Therein lies one of the greatest weaknesses of our democratic system. The writer pleads guilty along with many others.

An election can be won or lost by ONE vote—many have been. Furthermore, if everyone took such an attitude, there would be no election at all. The ideal attitude—the one we should strive for—is the assumption that the outcome of the entire election depends on our one vote alone. So a demonstration of just how important is the responsibility of citizenship is good for us once in a while.

Almost anyone who was in favor of the acquisition could figure out the rounds of all sorts of incidents that made the difference of the few votes between approval and rejection. Opponents of the proposition could see, too, how their cause could easily have lost by the same small margin that it won.

**VILLAGERS WERE AWAKENED** to a new civic consciousness through this election. Perhaps this is a reward for the unpleasantness that was aroused in some quarters. It's better for a community to bring underground currents out in the open once in a while. Much good can come of it in the long run. Our civic needs have been well impressed upon the people. Villagers are aware of the importance of a community hospital as they have never been before.

There is much lack of cooperation between the city council and business interests. This has been brought out in the open, also. There seems to be a marked difference of opinion in the planned future of Palm Springs. This was an underlying issue in the recent campaign. Should our objective be to create here one of the outstanding resorts of the nation—or should we just settle down to a desert-home community?

Let us retain the interest in community affairs that has been aroused. And next time—LET'S ALL VOTE!

With school closing this week, many families have already packed their suitcases and are ready to take off for a summer vacation. Ted Griffith's are looking forward to four months in British Columbia where they are property owners. They plan to leave Saturday and drive up the coast. This is the first time in twenty years that Mrs. Griffith has been able to get her family off the desert for the summer months which is certainly a long record. Tom Griffith, who graduated from high school Thursday evening, will enter the University of New Mexico in the fall.

Mrs. Theodore G. Robinson leaves Tuesday with her family for their home in Marysville, Missouri. Sally Robinson will remain in her native state next year to attend Christian College for Girls. Ted and Claire Reed will occupy the same cottage in Oceanside this summer and are planning to make the move this weekend. Ted will return to his business here and will probably fly down for weekends as he did last summer. The Earl Coffmans left for their home at Del Mar on Wednesday of this week as did the Gordon Clarks who will occupy their new cabin in Idyllwild formerly the abode of Vera and Gordon Nicholson. The Walter MacWaters took off for Portland this week and will undoubtedly spend most of the summer in their lovely ranch house in the Oregon hills before returning to the Village next winter.

Kenny and Virginia Paul feted those newlyweds, Swede, and Stella Davis, at a bridal supper and shower Saturday night. Guests included members of the staff at Kenny's station and old friends of the couple.

Dining at the Doll House Saturday evening were members of the Eager Beaver club who were graciously serenaded by Sue. She also worked in a nice little number for Pop Strebe. Also visiting this popular spot were Rufus and Mary Dot Chapman from Hermosa. Pat Boyer, Marge Pohl, and Barbara Inman, Jack and Dottie Gorham and Alan and Mary Helen.

The Doll House kids, Ethel and George Strebe, wrote a fable to a grand and glorious season by

closing their doors Tuesday night and throwing one big grand and glorious party for the members of the Los Compadres. The group enjoyed the buffet dinner followed by dancing and spontaneous entertainment which included Phil Delano singing one of his own compositions. A presentation of a watch band was made to Sammy, culinary expert of the Strebe establishment, in appreciation for all those wonderful salads, prime ribs, etc. the club has enjoyed this winter.

As a token to George and Ethel, not only for their hospitality but for all the assistance the Doll House has rendered the chess committee this past season, Wall Spalding presented them with a fancy scroll designed by Dean Thomas and signed by all the members.

**L. A. Couple Honeymooning At Del Tahquitz**

Honeymooning at the Del Tahquitz hotel this week were Mr. and Mrs. George B. Hanson, Jr., who exchanged marriage vows at the First Methodist church of Hollywood Wednesday night.

Mrs. Hanson was formerly employed at the Los Angeles Examiner, and is well known to southern California tennis followers as a tournament star. She is the former Frances Nadine Raginson, daughter of Mr. and Mrs. J. A. Curry of Los Angeles.

Mr. Hanson, whose father is George B. Hanson, passenger traffic manager for the Southern Pacific railroad, attended the University of Southern California and is a Phi Kappa Tau. He served four years overseas with the navy and is now associated with E. F. Hutton and company of Los Angeles.

**Call Election on Lights in Desert Hot Springs Area**

Desert Hot Springs is going to vote on the question of formation of a light district. It was decided by board of supervisors in session this week. County Counsel Earl Redwine was instructed to draw up a resolution calling the election after a heated hearing by proponents and opponents of the lighting plan.

Opponents wanted Hot Springs to remain in the rural class. Hunter B. Nelson headed the faction against lights. He said the streets were so bad that their condition shouldn't be made more evident by lights, that lights would attract insects and prevent proper appreciation of the moon and stars.

ROBERT ERMISCH backed him up, deploring the plan to modernize the community with street lights. The opponents claimed 70 signatures on their petition against lights.

B. E. Daizell, speaking for the Desert Hot Springs Improvement association and J. D. Bailey, for the chamber of commerce, were heartily in favor of street lighting.

MRS. VIOLA DINSMORE, speaking for the many women present, declared that Desert Hot Springs should get out of the "hick" class and assume the responsibilities of a modern town.

She is proprietor of the Blue Haven Ranch, and said she had lived at Desert Hot Springs for 14 years.

"It is time," she said, "that we take our place with other modern communities in Riverside county and in California."

**New Grocery in Cathedral City**

Alfred F. Patane, ex-army officer, who was stationed at the Army Airfield here during the latter part of World War II, announced yesterday that he has opened a self-service market in Cathedral City.

Entering the service from New York City, a taste of desert living decided him against returning to his home state on discharge from the Army. For a time he was employed as an officer in the United States Employment Service and War Assets Administration in India.

He is the father of two children both born in Palm Springs. He and his wife Jean will manage the new business in Cathedral City.

Alfred who is a member of the Owen Coffman Post of the American Legion, said that his new business establishment will be known as "Al's Market" and will swing its doors open to customers June 3.

In addition to the general line of groceries carried, Patane said there will be a meat and vegetable department.

"We intend to keep open all summer," he declared.

## Two Services at Episcopal Church On June Sundays

The Episcopal church of St. Paul in the Desert will have only the two Sunday services during the month of June at the regular hours of 8 a. m. and 11 a. m. Sunday school closed last Sunday for the summer.

The Rev. Robert M. Hogarth, rector, will preach this coming Sunday, which is Trinity Sunday, on "Our Need of the Holy Spirit for Complete Bodily Health."

"MOST OF US," he said "have only childish and immature conception of the Christian doctrine of the Trinity: that it means three Gods in One. It is simply man's way of stating his belief that God is Infinite in His life-giving power to His children, not limited in any way. Three is an ancient mystical symbol of in-

finiteness, and the early Christians had no trouble in understanding the Trinity.

Nicodemus was not a Christian when Jesus spoke to Him in the words of the text: "That which is born of the flesh is flesh, and that which is born of the spirit is spirit. Marvel not that I said unto thee, Ye must be born again (from above)! It is significant that the Greek word, 'another,' translated by the English 'again,' means 'from above' in the Greek. It is not a mere repetition of the same kind of fleshly birth which caused the hardened literalist Nicodemus so much confusion, but a new and higher kind of birth, that of the soul, the spirit. Man is not 'whole' until the spirit of God rules in some degree his fleshly nature. A vigorous fleshly body is not possible without it."

SERVICES WILL END for the summer on the last Sunday in June.

Rev. Hogarth will leave July 3 for Rochester, Minnesota, where he will be the guest of Harold H. Crawford.

## New Members to Be Received in Community Church

The Sacrament of the Lord's Supper will be celebrated in the Community church at both the morning and evening service this Sunday, the Rev. James Blackstone, minister, said this week.

New members will be received into the church and the Sacrament of Baptism will be administered to infants.

Rev. Blackstone will give a brief communion meditation. A quartet, composed of Mrs. Holly Lash Visel, Mrs. Matt Fowler, Richard Hunton and Rev. Blackstone, will sing Harker's, "How Beautiful the Mountains."

Young people will participate in the evening service and Rev. Blackstone will preach on the subject, "The Greatest Power in the World."

## Barney Johnsons Off For Sierra Vacation

Mr. and Mrs. Barney Johnson left the Village by automobile this week for the Sierra mountains. They plan to spend sometime in the Mammoth Lake district and in July motor up the coast to Canada.

They will return to their home on Mel avenue sometime in October. Mr. Johnson is associated with the realty firm of Culver Nichols.

working on the new parkway along highway 111.

A delegation from the AMVETS was out looking over Palm Valley for a spot to stage their June hay-ride. The way Rudy Salazar talks it will be THE affair of the season. More about it next week.

Desert Sun office closed May 30 and 31 . . . June 1st in the Center.

## What Goes on in Palm Valley

In Mexico it's "Manana." In Palm Valley folks "Stop by," but the answer is the same, nothing ever gets done. For example Claire Leahy "Stops By" Neva Munchoff's adobe hacienda for coffee. After they hash things over a while both "Stop By" across the wash at Ruth Gurley's rambling ranch home.

By now it's lunch and the trio "check in" at the pink Palm Dell office on their way to Irma Gurley's at Palm Village. Time marches on into the weekend when the men-folk arrive to take over the "Stop By" chain link.

A TYPICAL SUNDAY goes something like this: Bill Polkinghorn begins his house-to-house canvas about 3 a.m., Frank Clancy looking for a playmate to take a dip in the Palm Desert pool at 5 a.m., Doc Gurley gets his first call in about 6 a.m. Conky Conkwright mows us down with his new records of bird imitations. Harry Scott enthusiastic about his set of plans for a modernistic house. Mary and Grant Wood, Peg and Bill Rashall in to stock up with tree ripened grapefruit.

Bill Munchoff showing off his new car icebox, a present to him from Jimmy Young of the Valley

Lumber company, Indio, for his long awaited vacation to Oregon and Washington. U. S. Commissioner Ed Fitzgerald planning a new three room estate. His recently completed home with all the additions, changes and plans got too large for them. Admiral Charles Weitzel in from Long Beach thrilled about his new home here. Walter Melrose was last to "Stop By" giving us the dope on his new tract on the other side of Cathedral City.

AT RANCHO MIRAGE Dave Culver sold his blue house to Ernest Waltz of Balboa. He plans to start a new one in the R. M. Estates.

Colonel Banning recently aide to General Hodges now retired after thirty years service in the U. S. Army planning to settle in Rancho Mirage.

Palm Village Inn yesterday evening at dinner were the King Gillette, Amos and Nell Odell, Mrs. Gillette Senior, George J. Wise and Dr. and Mrs. Joseph A. D'Alessio. All enjoying the hospitality of Dorothy and Cliff Robson.

# Cathedral City News Roundup

Reported by MACK MOORE

## Fire Protection Enhanced as New Station is Bought

Probably the greatest single factor in the efforts of the community to achieve adequate protection against the hazards of fire was realized last week. At a cost of \$5500, the firehouse, formerly located near the Tamarisk gate at the Torney hospital, was purchased and will be moved to Cathedral City.

This building, of excellent construction, can house adequately two pieces of fire fighting equipment, has living quarters in the rear, and provides the necessary space for meetings of the volunteer firemen. The structure will be placed on the west side of Cathedral Canyon drive at 3rd street. It is hoped that eventually there will be not only the large state-owned truck but also a town-owned unit which will be available for emergency work in Cathedral, in the event that the other truck is out of town on a fire-fighting mission.

At last Tuesday night's mass meeting on the fire control question, approximately twelve persons pledged their financial support to the extent of about \$4,000. The town will be required to furnish the foundation and apron to the building and the plumbing requirements for the kitchen and lavatories.

All our experience seems to show that the security of children depends in a large degree upon the serenity of the adults who care for them, upon their spontaneous affection, their understanding and their tolerance. —Miss Sybil Brown, former mental health tutor, London School of Economics.

## Community Unity Gets Results

Much Accomplished in Cathedral City for Fire Protection as Result of Town Meeting

By BILL HILLERY

Unity in a community gets results. That sentence wasn't meant as a slogan but I was struck by the community accomplishment at the Town Hall when the local fire department, under the sponsorship of the chamber of commerce, called a mass meeting to consider the purchase of a fire department building.

It was explained that the permanent type fire building at Torney Hospital which housed two pieces of equipment plus living quarters for the firemen could be purchased and set down in Cathedral City for \$5500, that Walter Melrose had made a very low price of \$800 on a suitable lot on Cathedral Canyon drive below the highway and that it would be necessary to do some filling, then put in a concrete slab for the equipment portion which is 30x36 and foundation for all. The building is 96 feet long and could not be put on the lot next to the Town Hall which is 87½ feet.

IT WAS REALIZED the total cost completed which means a tile roof to comply with the Melrose tract restrictions and the remodeling of the living quarters would bring the final figure near \$10,000. A drive is now underway to raise \$5350 in the community to pay for the chamber of commerce sponsored make-up money required for the flood control work. Fortunately all the fire money is not needed now but \$3500 was needed within a few days and this amount was subscribed by a group of half a dozen citizens from those present. A plan of financing will be worked out and this fall it will be submitted to the community to be retired by our usual method of community money raising.

All of the planning is sound and should have the united support of the community. This in-

vestment will belong to the community but it will permit the State Forestry tie-in with the county to place a much more powerful fire engine here with a full time driver and provision for relief man, etc. This arrangement should be in full operation shortly after July first this year.

NOTHING IS LOST by this plan. The building was constructed for fire purposes. It is not one of the temporary structures that was erected on some of the Torney grounds. It can be turned over to a county fire district should one be desired later and after that it would be available if this community becomes a corporation or is annexed by Palm Springs. In any event it will represent taxes saved at the time.

The stability of this community is assured it is in the right spot and it has the people with vision living here.

I can't tell you about the bank we are going to have here but that can go over for another two-bits worth of notes.

THOSE OF YOU who have already moved out for the season so far in advance of summer may want to know about the flood control progress. Unfortunately the rumor got out that the Zone 6 money had run out and the work could not be completed. The true story is that Supervisors Wyrick and Hill and maybe Gilmore were yelling for the return of the county road equipment which the flood district has been renting and through Chief Engineer Bookman's pleading, the date for surrendering the equipment was moved from May 22 to June 1 with an estimated two weeks work yet to complete to make the Village secure from flood.

Zone Commissioners Culver Nichols and Herbert Samson and the writer agreed that even if the cost of renting outside equipment was more than twice the county charge the work should be so far completed that it would withstand any cloudburst that might come our way. Mr. Bookman advised that we did have the money and arrangement for equipment could be made and the work would be completed. At this writing we are stalemated with the State Highway Department about the channels crossing the highway but it looks as if the water will flow anyway.

## Leave for East for Summer Stay

Mrs. Carl Dyuysen and young son Larry, last week made an earlier than anticipated departure for her family's home in Kansas. For several weeks, Mrs. Dyuysen had suffered with sinusitis; but it was her intention to remain here until school was closed. Her doctor, however, advised her to leave at once, due to her discomfort when near the evaporative type cooler. They will make the trip via Salt Lake City, and will remain in Kansas until such time as her husband, Capt. Dyuysen, summons them to join him in Japan where he is now stationed with the U. S. Army. The Dyuysens first came here in 1945 and lived at Desert Villa, while he was stationed at Torney as a quartermaster officer. When he was transferred elsewhere, however, Mrs. Dyuysen and Larry remained in Cathedral. Both were well liked and became active members of the community; Mrs. Dyuysen being an enthusiastic supporter of the school club. They will be missed.

## Season at Close for School Club

The Cathedral City school club closed its season with a lovely musical program, presented by Mr. and Mrs. Alex Hammond, who sang selections from "Oklahoma." The meeting was held in the evening so that the fathers might attend.

The following officers were installed: President, Mrs. Verrill Phillips; vice-president and program chairman, Mrs. Thelma Kemp; secretary-treasurer, Mrs. Hazel Jones. After the installation of officers, games were played, and refreshments served. During the meeting, Mrs. Dorothy Crawford very graciously entertained the children in another room with motion pictures.

As evidence of the extent to which New York City has become the capital of the world, we cite the case of a gentleman who got into a crowded elevator in the Biltmore the other day. One passenger nudged a companion and announced: "American" whereupon everyone turned and looked at him with respectful curiosity. —The New Yorker.

## Cathedral City Personals

Doris, Fern and Elden Brown are mighty proud of their new and handsome black Kaiser automobile.

Mr. and Mrs. J. B. Schutz have returned to Olympia, Washington. Mr. Schutz has completely recovered from a bronchial condition and is grateful to our desert air and sunshine.

The Bert Wade's are now officially occupying their new home on E street. We are happy for them.

La Verle Ring was hostess at a surprise potluck dinner in honor of Curt's birthday last week. Those present were the John Palmer's and the Irving Sussman's of Cathedral and the Ray Kelley's of Palm Springs.

There is a new plunge in town. Yes, Johnny Palmer has completed a miniature pool for his small and attractive daughter, Vicki. The only other pool we know of in town is on the property recently sold by Joe Walsh, now of Sun Valley, Idaho.

In honor of Mrs. John B. Dwyer, a surprise shower was given at the school last week by the first and second grade mothers' committee, headed by Evelyn Camp and Olivia Jordan. Ice cream and cake, beautifully decorated by Winona Smedley, was served.

Mrs. Jeanne McCall was guest of honor at a "Stork shower" given by Jackie Martin and Dorothy Maddox at the Desert Lodge. Many lovely gifts were received and delightful refreshments were served by the hostesses.

Word was received from Mary and Jim Wolseth that they were playing with floods and tornados in Oklahoma, they were expecting to make their next stop Hot Springs, Ark., that is if their luck held out. Mrs. Lucy Abels left them at Tulsa.

Ahmoy and Johnny Rater are leaving the 29th of this month for Texas. Johnny's attending a family reunion, and both are taking a well earned rest.

The A. M. Petersens wish they had listened to the old timers advice to "stay through May." They have been shivering from the cold, in their hotel room at Pocatello, Idaho. It has been raining there for four or five days, and is quite chilly. But they had a very lovely trip, they took the coastal route to San Francisco and on northward to take a look at the giant redwood trees. From there they cut through Oregon to Boise, Idaho, and on to Pocatello. They expressed a wish to be back on the desert to thaw out. They will visit for two weeks with their son before continuing on to their cabin at Big Springs, Idaho.

Judge Orfa Jean Shontz and Marjorie Tatum of Los Angeles spent several weeks at "Solheim." Miss Eva Woodruff and Mrs. Jean Teitzel spent the weekend with Lydia Engh.

Anita Sykes entertained several of her friends on the 19th honoring her 9th birthday. Mr. and Mrs. W. R. Hillery and Jack combined a business trip into the San Bernardino mountains with pleasure Wednesday and spent the remainder of the day and evening with the Frank Russells at Valley View. Edna and Claude Cobb preceded them there with a stack of delicious steaks from Smedley's meat department, so a feast was enjoyed by all in the grill room.

The boss Communist was unable to recall any of his six other names a remarkable showing which in a quiz hour would entitle him to the all-expense Yellowstone tour accompanied by dozens of household appliances.

## Garbage Payments Asked Before End Of Present Month

By F. M. M.

Garbage collection payments for the next three months should now be paid to Mr. Kopp at the Cathedral drug store. The sanitary committee of the chamber of commerce urge that all payments be made prior to June 1. While L. C. Lewis, the chairman, is away during the summer, any problems regarding collection or payments for this service may be referred to Curt Ring.

Blue receipt cards will replace the white ones, now expiring. Unless the blue card is displayed, no garbage will be collected subsequent to June 5.

## New Managers at Oil Station

The Texaco station at the corner of Broadway and Glenn streets is now co-leased by Duward E. Beshears and Andrew Lester. Mr. Beshears, a veteran of World War II, is the manager and plans to be here through the summer. Both men were previously employed in Pasadena.

M. Lester eventually plans to operate in the valley, a ceramics industry and to teach classes in pottery making.

## Canadian Visitors Depart for Home

Mrs. H. D. McLachlin, who has been spending some time with her daughter and son-in-law, Mr. and Mrs. J. B. Green, in their new home on Camino Del Norte, left last week for Canada.

Mrs. McLachlin is traveling by way of Southern Pacific and is accompanied by her nieces, Miss Flora McKelvie of Long Beach, and Mrs. John McKelvie of Prince Albert, Canada, who were weekend guests of Mr. and Mrs. Green.

From where I sit ... by Joe Marsh

Want to Run a "Collective" Farm?

Was reading the other day about the "collective" farms they have in certain countries. It seems the folks who run them have plenty of help ... good hours ... and the best equipment.

Sounds pretty nice — till you learn that the "farmer" doesn't own his land, or even farm it, in our sense. He takes orders from the state; produces whatever they want him to produce, at prices they set. Even his off-hours are spent according to state regulations.

No, that would never go here.

We're willing to work hard, but we like to farm the land our own way, put our own value on the crops, and relax as we like — if only with a temperate, companionable glass of beer.

From where I sit, collective farming may produce results. But the American way — freedom to work and relax as we see fit — is what makes this country a great place to live. So let's not change it!

## John L. Yount To Speak Monday Before Local Conservation Group

John L. Yount, Secretary of the National Archery Association, will be the speaker at a meeting of the Palm Springs Fish & Game Association, to be held at the Fire Hall Monday evening at 8 o'clock.

Mr. Yount will trace the history of archery from the early days of bows and arrows as used by Indian tribes. He will have with him many types of bows and arrows used throughout the world.

The speaker states that last year alone 7000 licenses to hunt deer with bow and arrow were issued by the state of Washington. Members of the Association came from all over the world to try their skill. California is encouraging this sport by opening the season for archers one week before the regular hunting season opens.

President Harold Lienau urges all members of the Fish & Game Association to attend this meeting, which promises to be an interesting one, and cordially invites any Villagers or guests who may be interested in the subject of archery.

## Former Village Girl Will Wed in East June 14

Word was received here today of the impending marriage of Miss Lois Woodbury, well known in the Village, to Alfred Haikara, of Finland, a medical student at the University of Vermont.

Miss Woodbury is the daughter of Mr. and Mrs. Glenn B. Woodbury, also well known Villagers. The bridegroom is the son of Mr. and Mrs. A. Haikara, of Finland. Miss Woodbury was formerly a member of The Desert Sun staff. The marriage will be solemnized at Bethel, Vermont, on June 14.

to the governor and would represent a coalition of two separate political factions in Idaho. This effort was of no avail," Harper added.

It was not until all hope of obtaining such a candidate had been abandoned when Harper was asked if he would allow his name to be used on a petition, the manager of the Chamber of Commerce declared.

"I ONLY AGREED to permit my name to be placed on a petition," Harper continued, when I learned that a majority of the leading citizens of desert communities were behind the petition, nevertheless petition or no petition the selection of a man to fill Dillon's vacancy is entirely in the hands of Governor Warren and I know that he will appoint who to him will seem, after thorough investigation, the proper man for the job."

It was learned in Riverside that Dillon will resign just as soon as his pension rate under a retirement act is computed by state officials. His application for pension is now in Sacramento and the processing doesn't usually take more than two weeks. Under the circumstances then, Dillon is expected to resign soon now.

## Healer Avak . . .

Chaffey and Terry Ray, local realtor, moved about the prone forms of people eagerly awaiting the dawn and the warmth of the desert sun, and warmed out coffee from midnight to 7 a. m. Wednesday morning. During the early morning hours and the previous evening members of the Welfare and Friendly Aid association distributed milk. Other persons in the Village also assisted.

IN ANNOUNCING the coming departure of Avak, D. Arkelian said that many of his friends and acquaintances in the Village had asked for opportunities to see Avak but the only manner in which the healer would see these people was by appointment and that if their names were not on the list for any one day, he would not see them.

"No one can dictate to Avak," declared Eddie. "His decision to take a rest away from everybody and in seclusion came from him alone. He wants to have a two week rest and in absolute seclusion," Arkelian added.

EVER SINCE AVAK arrived in Palm Springs he attempted to find time for rest from his long journey from Iran but the many who flocked to Palm Springs begging for his ministrations, made that impossible. Newsmen yesterday noticed that the young faith healer showed extreme signs of fatigue.

"What Avak's plans are after his rest period," declared both Eddie and D. "is only known by Avak himself." Both men declared that there is no assurance that Avak will decide to return to Palm Springs.

During the huge crowds on Wednesday, Chief of Police August Kettmann dispatched patrolmen Aaron Kuk, Charles Valentin and Jim Maynard to direct traffic and assist in dispersing the throngs when the appointment book was filled, completing all engagements for Avak until Thursday evening June 5.

## Final Report Shows Desert Circus Deficit

Final reports of the 1947 Desert Circus were submitted this week to a meeting of the Board of Directors of the Circus Association by General Chairman Barney Hinkle and sub-chairmen in charge of the several events of the Circus Week.

The reports showed that the 1947 edition of the Circus, due to a combination of circumstances over which the association had no control, failed to realize a surplus which was anticipated as part of a building fund for the Desert Museum.

CHIEF FACTORS in the failure of the Circus to make a "profit" were the nation-wide telephone strike which began three days before the Circus, the exceptional heat which kept thousands of persons away from the desert on the final two days of the program, and the heavy check-out from hotels immediately after Easter on April 6, three days prior to the opening event, it was agreed by the Circus board members.

Part of the deficits of the American Legion Rodeo and the VFW-Armvets Air Circus was assumed by the Circus Association since the latter stood to receive a portion of any profits the two groups might have realized from the two programs.

Frank Bennett, president of the Circus Association, presided at the meeting.

## Sarthou's First Trial Postponed, Others Coming Up

Alexander Sarthou, wealthy business and home owner here, who evidenced a love for jury trials after each and every time he was arrested, five times in all, Tuesday morning won a postponement of his first jury hearing after Judge Eugene E. Theriault had ordered the assemblage of 20 men, good and true, as a panel from which the jury was to have been drawn.

At the request of the defense counsel, and agreed upon by the prosecuting attorney, Judge Theriault granted the postponement until June 3.

Following the trial, now scheduled for June 3, Sarthou will face a jury June 13, 20, and 27.

All of the charges are for disturbing the peace with the exception of one when he is alleged to have been operating a motor vehicle while under the influence of intoxicating liquors. Disposition of the fifth case has not yet been set.

## Council Assists Desert Museum Building Plan

City council in session last Tuesday night voted to permit the Desert Museum to move one of the former ward buildings of the recently General Hospital to the recently donated site at Tahquitz drive and Indian avenue.

The Museum has not yet acquired one of the buildings from War Assets Administration but negotiations now under way are expected to be successful. The building will be set back 20 feet from Tahquitz drive and 20 feet distant from the Welwood Murray Library.

## City Closed as Result of Holiday

Palm Springs observed Memorial Day today with most stores closed for the day.

City offices, Bank of America and The Desert Sun will be closed tomorrow as well as today.

Official observance of the day was under auspices of the Owen B. Coffman Post, American Legion, which conducted impressive services at the cemetery this morning.

## Local Winner Best in South

Marlene Bauer, the 13-year-old girl who charmed—and amazed—the galleries in last month's Palm Springs Women's Golf tournament, which she won, today has a new honor. She has been awarded the Helms' Foundation prize as the outstanding athlete in southern California, for the month of April.

In that month she won the Palm Springs tournament, the Los Angeles city women's tournament and finished second to her 19-year-old sister, Alice, in the Catalina tourney.

She is the daughter of Mr. and Dave Bauer of Long Beach.

## Boys Club, Mexican Colony, Top Loop In Second Week

### CITY LOOP STANDINGS

Desert H. S.	0	1	000

At the end of the second week of play in the City Nightball league, the Boys' Club and Mexican Colony teams looked like the ones to beat to take the honors.

Monday night the Boys' Club added number two to the list when they took the Gay 20s team by a score of 25 to 4. The Gay 20s, formerly the Colored All Stars, were wobbly in the field, making nine errors. These coupled with 19 hits, accounted for the club's 25 runs.

THE BIG INNING was the 5th for the Boys. They gathered in an even dozen runs in this one and put Roberts, chucking for the losers, away. McGonigal, with three hits out of four times up and six runs, and Hartman, with four hits out of five times up and five runs, again were leaders in batting for the Boys.

Crossley held the opponents safe and gave way to Shaw in the fifth.

THRILLS APLENTY were issued the fans in Wednesday night's game when the Mexican Colony took the measure of the Lions Club, last year's champions. A four-run outburst in the ninth inning finished the clubmen, who lost 8 to 4.

All of the Lions' run came in the sixth. Going into that round trailing, 0 to 4, the clubmen combined four singles with three errors and scored four times to knot it up. Both teams drew blanks in the seventh and eighth and then came the big blow-up.

AN ERROR started it all, Olvera reaching first when a tall one to center was muffed. Frank Prieto tripped to break the deadlock. After Herrera grounded out, Jarado hit a home run, scoring Prieto ahead of him. Quiz's double, scoring Santa Cruz, who had singled from first base, made in 8 to 4 and Kettmann, who had relieved LaRue after Prieto's triple, got the next two men. Prieto stemmed an incipient Lions rally in the ninth, retiring the side after the first man up singled.

SO THE PLAN failed by four votes, the narrowest margin in the most exciting campaign and election in the city's history.

Future plans for the Community Hospital and other civic projects involved in the Torney plan were not definite today.

And that was the Torney acquisition election—the proposal that the city be permitted to negotiate with the government to gain the property—lost by four votes.

to. She is sponsored by the American Legion Auxiliary unit here.

THE SCENE of the outdoor program was a colorful one and a large number of parents and friends of the graduating class was present to witness the affair and congratulate the class.

Classes will be resumed at Palm Springs high school Sept. 15.

Between 350 and 400 parents and friends were present at the school. Everett Lilley, student in Palm Springs high school, has been selected by Owen Coffman Unit of the American Legion Auxiliary to attend the California Girls' State, to be held at North Sacramento, California, June 17 to 24, inclusive.

Selection of Betty Ann, who is the daughter of Mr. and Mrs. Everett Lilley, was announced Thursday evening at the high school graduation by Mrs. Harold Lienau, President of the Auxiliary Unit. The selection was based upon the following qualifications: Leadership, Character, Courage, Honesty, Scholarship and Co-operativeness.

AT GIRLS' STATE the Village representative will join girls similarly selected from high schools throughout California in establishing and operating a mythical state of their own. They will form political parties, hold an election for governor and other state offices, conduct a session of a state legislature, and operate all the executive, legislative and judicial functions of a democratic state.

"Girls' State is sponsored by the American Legion Auxiliary to provide citizenship training for girls of high school age," explained Mrs. Lienau. "Girls' State gives them an opportunity to live together as self-governing citizens and to participate in the actual functioning of the government. It helps them grasp the meaning of the responsibilities they must assume, as American Citizens, when they become adults."

Girls' States are being held in almost every state this year and will be followed by a Girls' Nation, in Washington, D. C., attended by two girls from each Girls' State.

## Lions in Last Formal Session

Palm Springs Lions Club closed their season of formal luncheon meetings yesterday at the Doll House. As it was the last session of the season, no speaker was on the program and the individual members of the club were given a chance to talk by President Ray Sorum.

Informal meetings will be held weekly during the summer months with regular meetings to be renewed in the fall.

At yesterday's meeting a sizeable sum was raised for the milk fund, a Lion-sponsored institution which provides milk for needy school children.

## Storage Room Fire Does \$350 Damage

Fire of unknown origin early yesterday morning did approximately \$350 damage at the Sunny Sands apartments, North Palm Canyon drive.

The blaze was discovered at 3:58 a.m. Firemen confined the fire to the small storeroom where it started.

Earlier in the week fire starting from a lead melting pot, for a time threatened the Limelight building, also on North Palm Canyon drive.

## Public Installation of DeMolay Held in Coachella

Public institution of the Coachella Valley Chapter Order of DeMolay and the installation of officers took place May 24 at 8 p. m., in the auditorium of the Union High School. Approximately 200 persons were present to see U. S. Wallick, member of the executive committee, and an installing team composed of members of the Riverside Chapter of DeMolay perform the ceremonies.

Jud Osborn, Villager, delivered an eight-minute Flower talk dealing with the proper respect of sons for mothers. Each of the boys received a red carnation.

## Free Clinics Will Be Resumed Oct. 1 At Hospital Here

Final Free Clinic of the season was held Wednesday and according to officials approximately fifty persons were treated during the five sessions held since its opening.

The Clinic will again open its doors October 1, according to an announcement by Dr. Charles H. Baldwin, director.

Of the number of persons who presented themselves for treatment at the Clinic since its opening, ten serious cases were discovered which would have gone undetected with probable serious complications resulting for the persons afflicted.

The Clinic was organized to take care of those persons who were financially unable to seek the advice of private physicians. Many white collar workers earning between \$150.00 and \$200.00 were among the Clinic's patients.

These persons paid greatly reduced fees for the medical services they received.

## Village Cub Pack Given Awards for Work During Year

Fifty-five Boy Scout Cubs, sponsored by the Lions Club of Palm Springs, were tendered awards during final ceremonies of the season at the Frances Stevens School Friday evening.

The program which was conducted on the grounds of the school saw more than 100 parents and friends in attendance.

Leo Baker, in charge of the event for the Lions Club, was assisted by Everett Lilley, Maynard Groth and Johnny DeVine.

Bob Grenzow of the school department, leader of the Cub Troop, was congratulated on the fine work he has accomplished during the season. Irving Matloff together with Lilley had charge of the refreshments.

## Desert Hot Springs

The sixth grade class and parents were invited to a potluck supper given by R. A. Richard in the patio of his apartments on Thursday evening. The mothers prepared the supper.

At the Improvement Association meeting Saturday evening in Association Hall, President B. E. Dalzell announced that Desert Hot Springs is to be awarded fire fighting equipment and that it should be here by Flag Day, June 14, for all to see. The Chief of the Forestry Division will have appointed a Forestry man to be in charge of the local Fire Station and a company of volunteer firemen will be organized. The committee in charge of Flag Day entertainment is Mr. and Mrs. G. Blackhart, Mrs. Ethel Claxton, Mrs. Eleanor Okey, Karl Moyer and T. C. Martin.

VFW Post 6474 sold Poppies on Friday and Saturday. Jack Elfman was chairman of the committee with William Livizey and Walter G. Keil assisting. Mrs. Genevieve Burnett of the Auxiliary was chairman of a group of women who assisted selling the poppies.

## Complete Program Set Up at Hospital Meet Emergencies; Plan is Tied in With Red Cross and City Disaster Aid

Palm Springs Community hospital this week announced that a complete program had been set up to meet any sudden disaster in the Village or vicinity. The program, Howard M. Jay, consultant at the hospital, said, is designed to tie in with the Red Cross and city's emergency programs.

Following information regard-

ing the emergency, plans have been completed for the quick mobilization of local doctors.

**IN CHARGE** of summoning Nurses Aids, is Mrs. Leo Baker with Mrs. Gentry and Mrs. Annette Freeman as alternates. Mrs. Barney Hinkle represents the Welfare and Friendly Aid workers with Mrs. F. A. Purcell and Mrs. Caroline Hicks as alternates.

Mrs. Lauritz Hanson is in charge of mobilizing the Grey Ladies with Mrs. F. F. Crocker and Mrs. Charles Henderson as alternates.

**OTHER** heads of emergency groups are Bill Leoncio, in charge of stretcher bearers, and Jim Maynard and Warren Heath as assistants.

John Connell is in charge of transport, trucks and cars, and drivers.

Arrangements have been completed to meet any crisis speedily and efficiently, even to moving aid work and medical care to the scene of disaster.

**COMPLETE PLANS** for summoning outside medical assistance and nurses, for quick preparedness of all supplies, drugs and instruments, and other needed materials, have been drawn.

Duties of each member of the staff have been assigned and everything is in readiness for any emergency which, it is hoped, will not have to be met.

Nothing that I can see has yet emerged from the discussions and decisions of the security council or general assembly that encourages me to believe in the efficacy of the organization as a reliable preserver of peace.—Gen. H. D. C. Crerar, Canadian army commander-in-chief.

# Beaumont Cherry Festival Started Today

## Three-Day Annual Fete Under Way at Neighboring City

Beaumont, 29 miles up the pass from Palm Springs and one of the first settlements in this area with a history stretching back more than a century, today started celebrating. The occasion is the thirtieth annual Cherry Festival which continues today, tomorrow and Sunday.

The three-day event is expected to attract a larger crowd than ever before in its colorful history.

**NOT A DULL MOMENT** is the theme of the festival which started today with a flag-raising ceremony by Boy Scouts of Beaumont and entertainment by the Cherry Valley Grange. Queen candidates will be presented to night at "theater night" at which time Eddie Dean and Roscoe Ates, who appear in the screen picture will also appear in person.

A moonlight dance will start at 8 p. m. tonight.

**THE BIG PARADE** will be a feature tomorrow with Eddie Dean leading the event. Famous horses and many spectacular floats will be featured in the line of march.

Contest for the honor of Queen of the Festival will be chosen of the Festival will end Saturday afternoon. Contestants are the Misses Thelma Van Valer, Mary Anne Templeman, Curtis Spears, Pat Blaskowsky, Gerry Hussey and Lolita Jacobs. Competition is keen for the title and the final tally should be a close one.

**A GYMKHANA** has been scheduled for Saturday afternoon with skilled horsemen participating. Following the display of horsemanship, a kangaroo court will convene to try those men who have not co-operated in the whistering contest. Fines will be mere tokens as the contest is strictly in fun.

An old fashioned barbecue with all the fixins will be served at four o'clock Saturday afternoon. Following the barbecue, prizes will be awarded for the "whiskering contest," with women judges officiating.

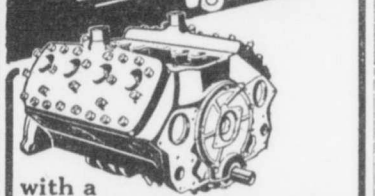

**CORONATION** of the Cherry Queen will take place at 8:30 p. m. in an open-air ceremony at the fairgrounds. The Coronation Ball will follow at 9 at the Woman's Clubhouse.

The carnival will continue through Sunday, with platform entertainment featuring local talent lasting through the day.

Cherry displays will be judged and prizes awarded for the best exhibits. Eddie Dean and Roscoe Ates will be on hand for personal appearances. A barbecue will be held again Sunday, and prizes will be awarded to the Cherry Queen and other contestants.

## Jack Donahue Accepts Position With L. A. Firm

Jack Donahue, who joined the staff at RadioOasis last September as traffic manager, and who has been the station's promotion manager since February of this year, left last week to become an account executive with the Pat Patrick company, radio advertising agency, in Los Angeles.

Donahue explained to a Desert Sun reporter that he hates to leave Palm Springs but feels that the summer heat may be just a bit too rugged for the baby the Donahue family is going to be blessed with within the next few weeks.

Although the Donahues are going to Westwood to live they'll be back here from time to time when they are down here visiting Mrs. Donahue's mother, Mrs. Viola Dismore who owns and operates the popular Blue Heaven rancho in Desert Hot Springs.

Faith, like light, should always be simple and unbending; while love, like warmth, should beam forth on every side, and bend every necessity of our brethren.—Martin Luther.

California, said Tenney, shares with New York the unenviable distinction of being one of the worst communist-infested states in the Union — "and it's about time we cracked down on the enemies of our country."

## Hoover Returns From Long Tour Across Nation

A. E. Hoover, well known Village real estate man connected with the Culver Nichols office, is back in the Village after a swing around the eastern states by air.

He drove east with Carl Bradsher, well known Palm Springs skeet expert.

While in the east Hoover was in Washington, D. C., and New York on business and also visited his brother in Charlotte, N. C., and his old home town, Hagerstown, Md. He was on four different air lines on his trips.

On his return trip he was on a big TWA Constellation equipped with radar. He said it was a wonderful experience. In Chicago the big craft was set down perfectly despite the storm that was raging and Los Angeles smog proved no barrier to a perfect landing there.

Bradsher went from Charlotte to Rolling Rock skeet club in Pennsylvania and will go to Sun Valley, Idaho, before returning to Palm Springs to re-open his club here in the fall.

Desert Sun office closed May 30 and 31 . . . June 1st in the Center.

## Realtors Discuss Assessed Values, Control of Rents

Taxation, assessments and rent control were principal topics discussed at a meeting at the La Cita by members of the Palm Springs Real Estate board. President Ray Cree presided at the business meeting which followed the breakfast.

In the discussion of several pertinent matters of vital interest to owners of Palm Springs real estate, the question of assessed values came foremost.

**STRICT PARITY** with like property in other sections of the county is the goal of the local board. The taxation committee reported on progress to date in the effort to maintain assessed valuations of property here on this basis.

It was pointed out that Palm Springs owners feel that local property suffered a much more inflated assessment that did properties in other districts, on last year's rolls.

**OPPOSITION** to the proposed state commercial and residential rent control bills now before the legislature in Sacramento was voiced in a resolution adopted by the board. Telegrams, citing the resolution and the board's opposition, were sent to Don C. Field, chairman of the governmental efficiency committee, Senator Nelson Dilworth and Assemblyman Philip L. Boyd at Sacramento.

The board went on record also as favoring the effort now being made by the Palm Springs Chamber of Commerce to have all rents de-controlled here as has been done in other resort areas. A copy of the resolution adopted was sent to the chamber of commerce.

## Oakland Man Named D. A. Staff Deputy

District Attorney William O. Mackey announced this week that Willis B. Gustafson of Oakland, had been appointed deputy district attorney of the county.

A graduate of the law school at California University, the new deputy district attorney entered the service of the county with many years of experience behind him.

Mrs. Hortense Murray, 1189 Beuna Vista, left Wednesday for Long Beach where she will spend the summer months. She will return to her home here in the fall.

## Cancer Society Plans Rest Home

Plans for a new Rest Resort for cancer patients, to be built near Etiwanda where it is high and dry, were set in motion this week in southern California.

Funds for the home were being sought and all who wish to contribute are urged to send their donations to G. A. Meeker of San Dimas, Calif., president and treasurer of the society.

The object of the place is to provide a place where patients can get the right food, climate and care.

Many prominent people from coast to coast are interested in the project which is expected to cost \$500,000.

## Doll House to End its Season This Saturday

The popular Doll House which closes its season on Saturday night continues to be packed with a merry throng of visitors and villagers who enjoy the stimulating music of Felix and Leo assisted by Sue Stanley, and the delicious meals for which the Doll House is justly famed.

Making up a merry party there this week were Mr. and Mrs. John Lawler, Mr. and Mrs. Gene Hughes, and Mike Collins. Nearby were Mrs. Harry Hanbury, her son Harry Jr. and Elizabeth Adams of Beverly Hills, who spends much time in our village.

A family party of Mr. and Mrs. Earle Strebe, included their three children Geska, Dorothy and Susan, also with them was Al Gardner, who is vacationing here.

In a second family group were Dr. and Mrs. Joseph D'Alessio, Mrs. D'Alessio's sister, Cynthia Snowden and realtor Don Cameron. Mr. and Mrs. Jack Freeman, were at a nearby table with a party of their friends. There too were Mr. and Mrs. Bud Hiller, Mrs. Peter Sheptenko, Mr. and Mrs. Jimmy Hume, Mr. and Mrs. Earl Cordrey, Mr. and Mrs. Rufus Chapman, Mrs. Jack Carlisle, and Mr. and Mrs. Charles P. Skovras with a group of their friends.

An end of the season party was held by a group of villagers that included Mrs. Holly Lash Visel, Lois Lux, Violet Fowler, Mrs. Elmer Markham, Mrs. Roger Williams and Mrs. Fay Robinson.

Harry Mann, well known Village sportsman, whose hobby is old guns—and he has a remarkable collection—doesn't just hang up his museum pieces in pegs. He also uses them on hunting trips.

In the current issue of Field and Stream, national sportsman's magazine, is an article by Harry Mann describing a hunt in the rugged southern Montana district, where he bagged his game using an old muzzle-loading rifle.

## New Program for Acquisition of Civic Center for Palm Springs Submitted in Letter to City Council by Villager

A new program for the acquisition of a Civic Center for Palm Springs which will also provide for the other functions which would have centered at Torrey Hospital had there been a shift of four votes in the election May 20, was submitted to city council at its special meeting Tuesday night.

Official action on the letter, written by Mrs. Harriet L. Henderson, Villager of many years standing, will probably be taken at the next regular meeting of the city council, scheduled for June 4.

THE LETTER, in which Mrs. Henderson sets forth her views, follows: "In view of the fact that the City of Palm Springs may not get the Torrey hospital property for a civic center, I herewith present my ideas as to how we may meet some of our civic needs."

"According to the will of the late Thomas O'Donnell, the Golf Course is left to the City for 99 years, managed at this time by a Golf Commission. There is also a clause in the will that reads: 'In the event this property ever ceases to be a golf course, the property is left to the City to use for civic purposes.'"

"The City Council should negotiate now for Indian land in Section 10 or the lower half of Section 26 to build an 18-hole golf course. It would take about two years to complete."

"THE CITY could then build their city hall at the Amado street entrance to the O'Donnell property and a municipal swimming pool and small park at the Alejo road entrance."

"The Field Club takes care of the ball games, horse events and circus week."

"The City should negotiate with the Indians for the triangle at the south end of the City, bounded by Indian avenue, Ramon road and Palm Canyon, drive for a Memorial Park to the men of this community who gave their lives in World War II."

"THE HOSPITAL should go forward with building a thirty-bed hospital on the land donated to them. We already have a working Public Health Clinic."

"The American Legion is going ahead to build an auditorium on Belardo road."

"The Youth Center on Belardo road will open to our 'teen-age group' in June this year."

"We have a very adequate Public Library functioning well for a city this size."

"UNDER THIS outline, all civic and recreation needs would be taken care of."

"How do we finance it? We would have to have a bond issue to finance the city hall and golf construction."

Respectfully submitted,  
—Harriet L. Henderson.

## Hemet Team Opens Inter-City League Play Here June 5

Play in the six-club Inter-City softball league will get under way next Thursday night with the Palm Springs All-Star entry starting the season at home with Hemet as opponent.

Games will be played each Thursday night, with one exception, and the Field club will be the scene of the Village team's home games.

Sid Canales is manager of the local squad.

The schedule follows:  
June 5—Hemet at Palm Springs.  
June 12—Palm Springs at Coach June 12—Palm Springs at Coachella.

June 19—Palm Springs at San Jacinto.  
June 26—Indio at Palm Springs.  
July 1—Banning at Palm Springs.

July 10—Palm Springs at Hemet.  
et.

July 17—Coachella at Palm Springs.  
July 24—San Jacinto at Palm Springs.  
July 31—Palm Springs at Indio.

Aug. 7—Palm Springs at Banning.

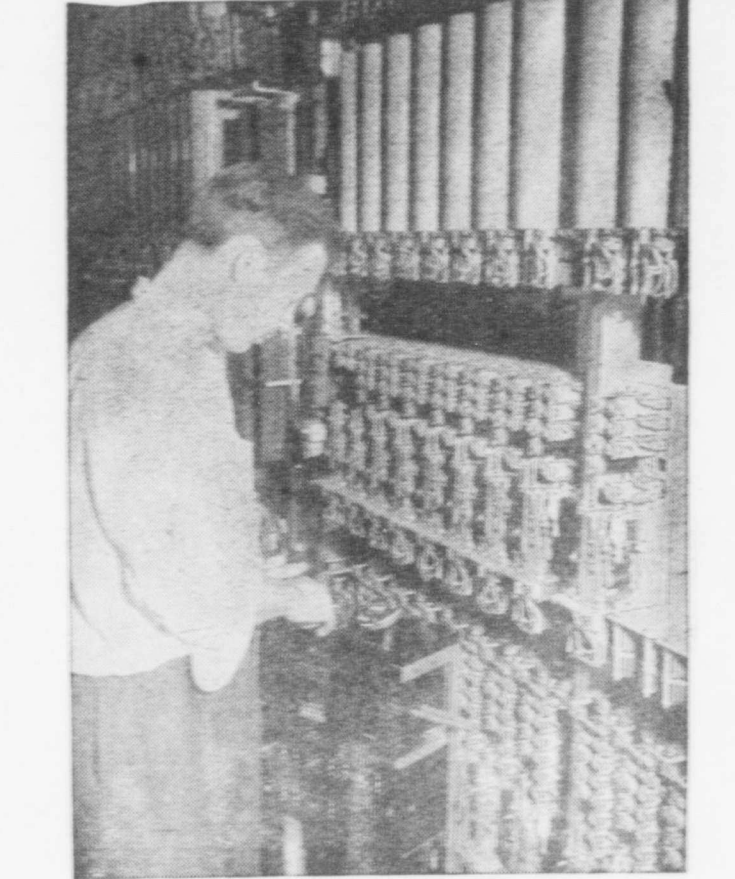

You will see some of the same names of big companies on this refund (tax) list year after year. They can't get 6 per cent interest anywhere else, although I'm not saying they deliberately overpay.—Rep. Albert Gore (D) Tennessee.

## THE TESTBOARDMAN

BEHIND the scenes in a telephone exchange showing a portion of some brand new equipment recently installed in one of our central offices. Bill Kingsley, Testboardman, is conducting the final test before cutting the equipment into service.

Telephone apparatus, with its multitude of closely fitting parts and its miles of wire and thousands of soldered joints, is one of the most complicated mechanisms in existence. That's why it takes a long time to manufacture—and install—telephone equipment . . . and one of the reasons why you have had to wait so long for a telephone.

## Local Singers Join In Choir Festival At U. of Redlands

On a recent Sunday the Chancel and Chapel choirs of the Community church participated in a great choir festival at the Memorial Chapel of Redlands university.

Fourteen churches were represented from the Riverside county area. Copies of the music to be used in the concert were sent to each of the various choirs in advance. These choruses were rehearsed and polished for performance by each local director so that when the choirs were united into one large ensemble, with a few master strokes of direction, the numbers were ready for performance.

W. B. Olds, former music professor of Redlands university, composer and choral director, conducted the afternoon concert, which was sponsored by the Choral Conductors Guild and American Guild of Organists from San Bernardino and Riverside counties.

Holly Lash Visel made all arrangements for the singers from Palm Springs and trained them so that they might be a part of this fine musical experience. Those attending were Mrs. George B. Davies, Mrs. Sylvia Cheney, Mrs. Antoinette Komatko, Mrs. Alma Miller, Mrs. Violet Knupp, Mrs. Violet Fowler, Mrs. Leona Markham, Mrs. Ora Windhurst, the Misses Maude McQuillan, Marian Williams, Cherie Mashburn, Hazel Veith, Ed Martin and Roland Vaile.

Mr. and Mrs. William Lux and Mrs. Faye Robinson drove to Redlands to hear the concert. Following the concert the vocalists enjoyed dinner at the Montone Inn and arrived home late in the evening.

## Telephone Co. Official Here

A. C. Belden of San Francisco, advertising manager for the California Water and Telephone company, the telephone division of which serves Palm Springs, was in the Village Wednesday, conferring with William Nash, local manager, and members of the local telephone staff. He is on a routine tour of all districts of the company.

"I thought it would be hot here—but this weather is delightful," he said, adding that he was going to come to Palm Springs often and try to make it during the season.

Turkey first was used at a festive dinner, according to one story, at the wedding of Charles IX in 1570.

## Los Angeles Couple Married at Local Hotel

Lillian Cherry of Los Angeles, employee of the Los Angeles Times, became the bride of George Barnes, also of Los Angeles, in the patio room of the Royal Palms hotel Saturday noon.

Judge Eugene E. Theriault read the marriage vows. The bride, daughter of Mrs. Millie Cherry of Los Angeles, and the bridegroom, son of Mrs. J. D. Stevens, also of Los Angeles, were attended by Mr. and Mrs. Dewey Hillgren of the hotel.

Guests at the wedding were Beatrice and Helen Christopher, of San Francisco, Mary Kerhoulas of Sacramento, Rose Stine and Ruth Marks of Los Angeles.

The bridegroom with the U. S. Coast Guard for five years and saw service in the South Pacific.

A reception followed at the hotel. The newlyweds will spend their honeymoon in Palm Springs.

## List Homes With Police, Feel Safe When Going Away

With the end of May in sight and many of the stay-throughers preparing to take off for mountains, beaches or their homes elsewhere, Chief of Police A. G. Kettmann today reiterated his invitation to winter residents to take full advantage of police protection during the months they are gone.

Families, closing their homes here for the summer, are urged to come to the police station to fill out forms which will insure a close check by police of their property.

The forms list names, address, identity of caretaker, where the owners can be reached if needed, and so on.

It is a service inaugurated by the local police department several summers ago and has saved winter residents worry and valuables while they were away.

## Letters to the Editor

### STUDY DISTRICT PLAN

Editor, The Sun: During the recent campaign regarding the El Mirador property the opponents of the measure published certain statements that were attributed to me and also excerpts from one of my letters suggesting the immediate formation of a local Hospital District.

The first statements were made in a letter of which a copy was sent to Mr. Frank Bennett of the Community hospital, and the same letter regarding the formation of a hospital district was written to both The Desert Sun and the other Palm Springs newspaper; the last paragraph of both letters reading:

"The project of the formation of a Hospital District in the Palm Springs area should have universal support and is one which your publication should investigate thoroughly and promote."

### THANKS TO THE SUN

Editor, The Sun: On behalf of the United Jewish Appeal, we wish to thank you for your support of our drive.

Through your kind co-operation our campaign, although short of our goal, has nevertheless been very successful.

We gratefully acknowledge and appreciate your generous help in so needy a cause.

With best wishes, we remain

Sincerely yours,  
Stanley Rosin, chairman  
Reuben R. Kulla, Sec'y.
